

Rainy Day Guarantee:

If photography was planned at an outdoor location on your wedding day and rain prevented* our photographer from taking pictures at that pre-planned location, Timothy Whaley & Associates will donate one of our photographer's time and talent for a two (2) hour outdoor session. The location for this session must be in the Chicago metro area and approved in advance by the studio. Under no circumstances will Timothy Whaley & Associates, its employees, photographers or agents be held liable and/or responsible for any and all costs, fees and/or expenses incurred a result of this guarantee and/or the session, by the client and/or by Timothy Whaley & Associates. All incurred fees, costs and expenses will be paid in full by the client. No other offers or features are given or implied in this guarantee.

*This guarantee is valid only if zero (0) pictures were able to be taken at the planned outdoor location on the clients wedding day due to rainy weather conditions.
